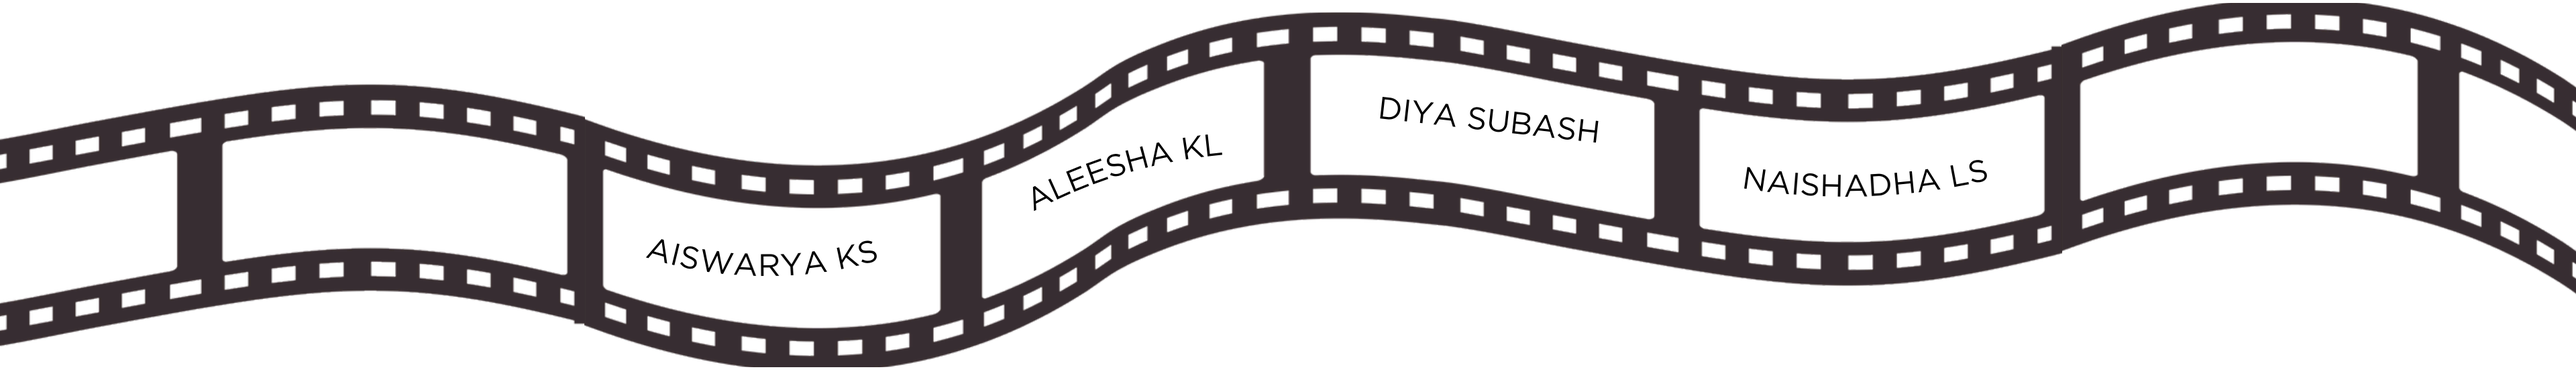
Exploration of different lighting techniques of photography



LIGHT EXPLORATIONS

BRIEF, SETUP & PURPOSE

SHORT LIGHTING

BRIEF: Shadowed side of the face faces the camera.

SETUP: Softbox placed on the side away from the camera.

PURPOSE: Slimming effect and added dimension.

SPLIT LIGHTING

BRIEF: Face is divided equally into light and shadow.

SETUP: Single softbox placed at 90° to the subject. No fill light.

PURPOSE: Creates dramatic and intense portraits.

BROAD LIGHTING

BRIEF: Lit side of the face faces the camera.

SETUP: Softbox placed on the same side as the camera.

PURPOSE: Makes the face appear wider and softer.

BUTTERFLY LIGHTING

BRIEF: Butterfly-shaped shadow forms under the nose.

SETUP: Softbox placed directly in front and above the subject

PURPOSE: Enhances cheekbones and facial symmetry.

REMBRANDT LIGHTING

BRIEF: Triangle of light appears on the shadow-side cheek.

SETUP: Softbox placed at a 45° angle, above head level.

PURPOSE: Adds depth and artistic drama.

LOOP LIGHTING

BRIEF: Small nose shadow forms a loop on the cheek.

SETUP: Softbox placed 45° from the camera and slightly above eye level.

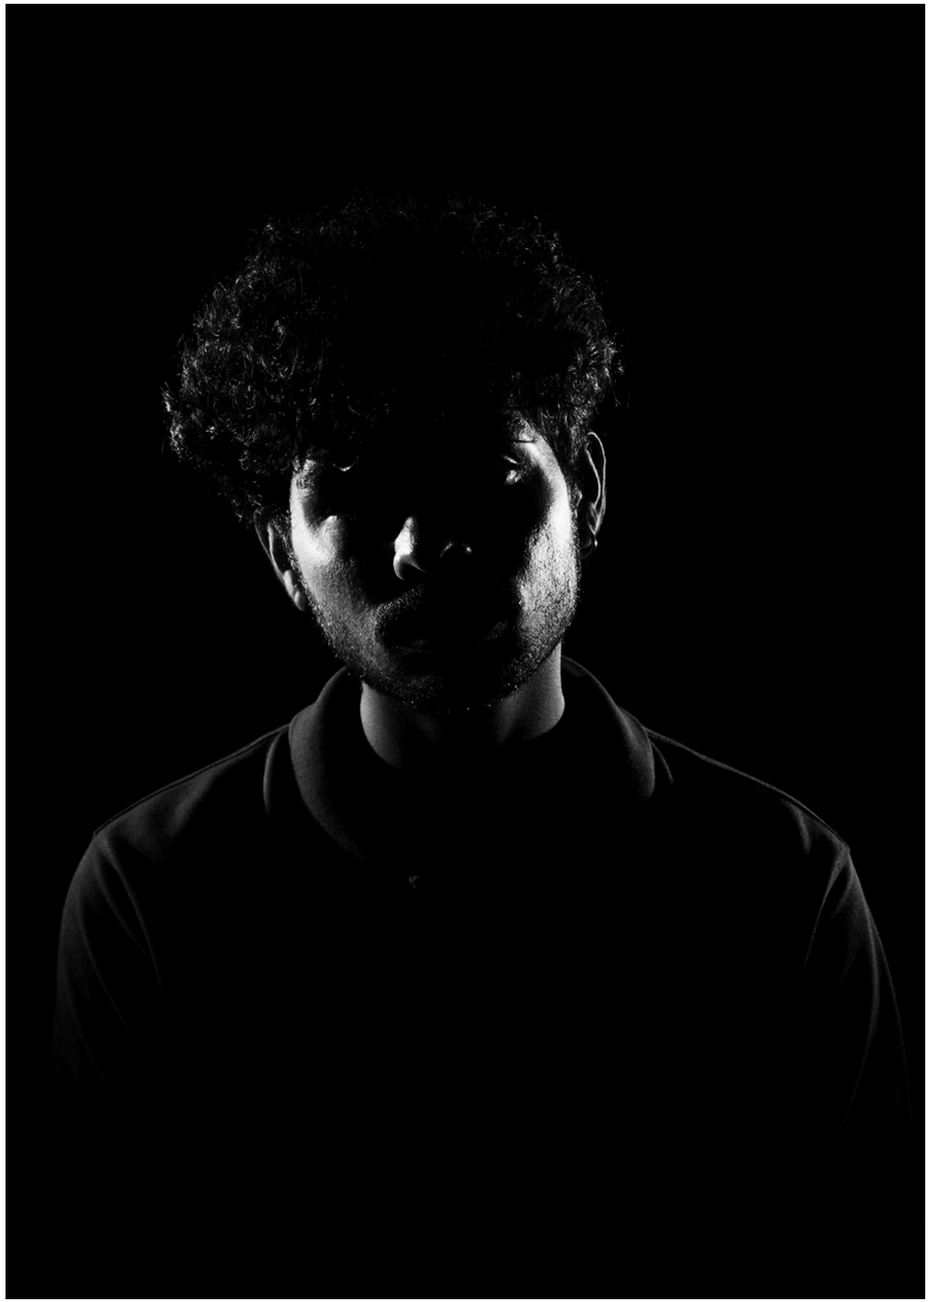
PURPOSE: Natural and flattering lighting for portraits.

LOWKEY LIGHTING

BRIEF: Dark image with strong shadows and highlights.

SETUP: Two Snoots placed to the both of the sides, no fill light.

PURPOSE: Creates moody, high-contrast visuals.



HIGHKEY LIGHTING

BRIEF: Bright image with minimal shadows.

SETUP: Multiple softboxes with even lighting and a bright background.

PURPOSE: Clean, fresh, commercial look.

MAGAZINE SHOOTS

COVER PAGE AND EXPLORATIONS

FASHION MAGAZINE

BUTTERFLY LIGHTING

BRIEF:
Face is evenly lit with soft shadows under the nose and chin.

SETUP:
Single softbox placed centrally, slightly above eye level, facing the subject.

PURPOSE:
Creates a flattering, clean look while highlighting facial features and styling.

EXPLORATIONS

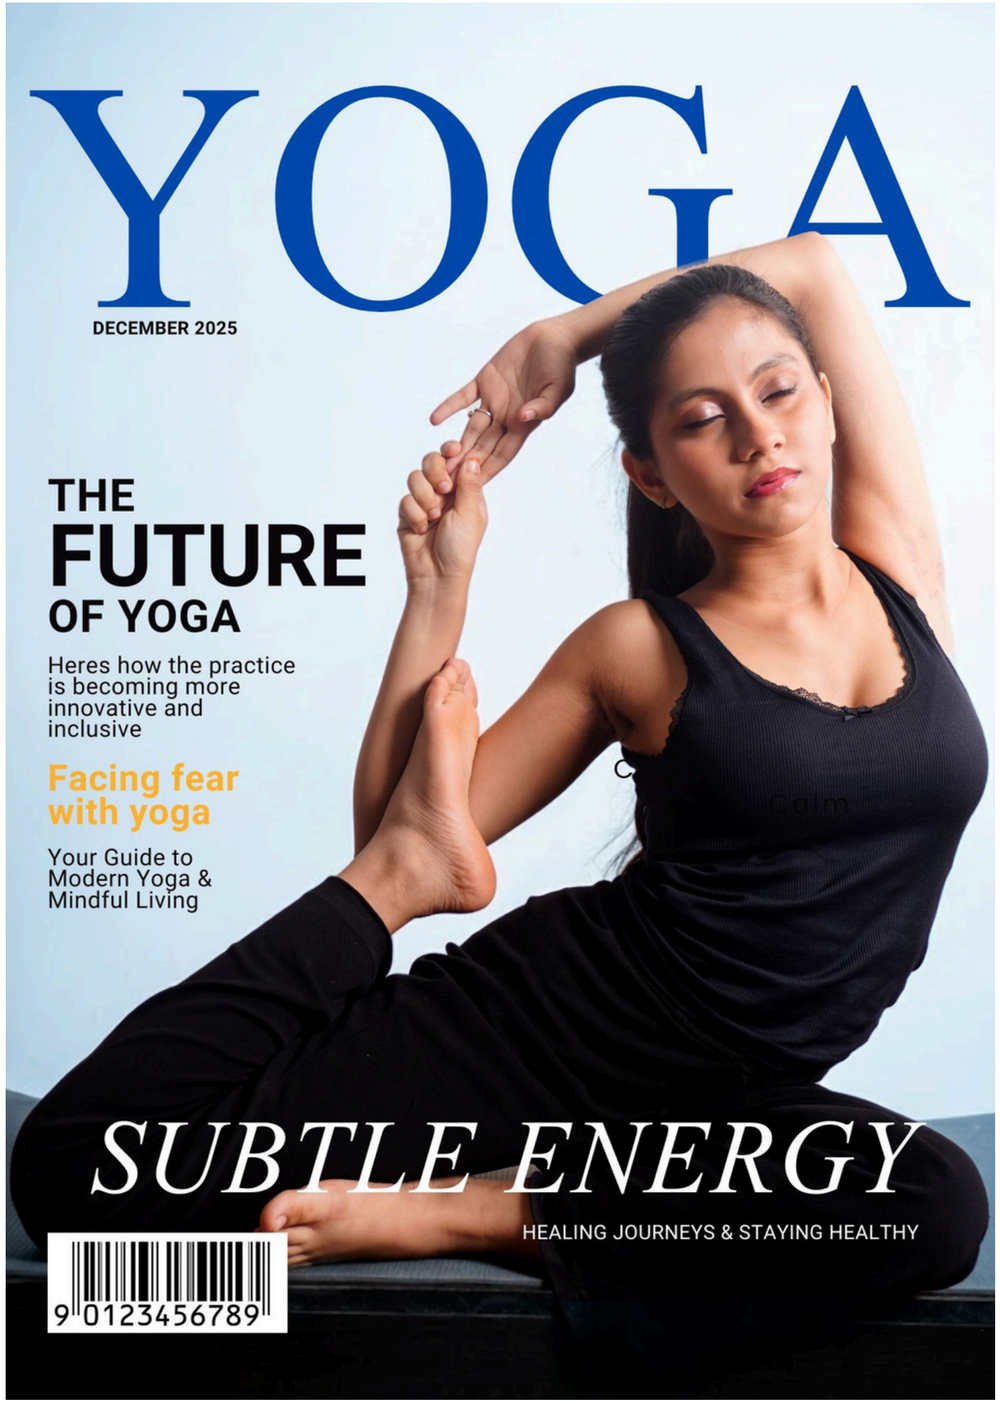
HEALTH MAGAZINE

HIGH-KEY LIGHTING

BRIEF:
Subject is evenly illuminated with very soft shadows and a bright overall tone.

SETUP:
Primary soft light placed in front and slightly above the subject, with fill light to reduce shadows. Light background enhances brightness.

PURPOSE:
Creates a calm, clean, and balanced look that feels open, healthy, and serene.



EXPLORATIONS

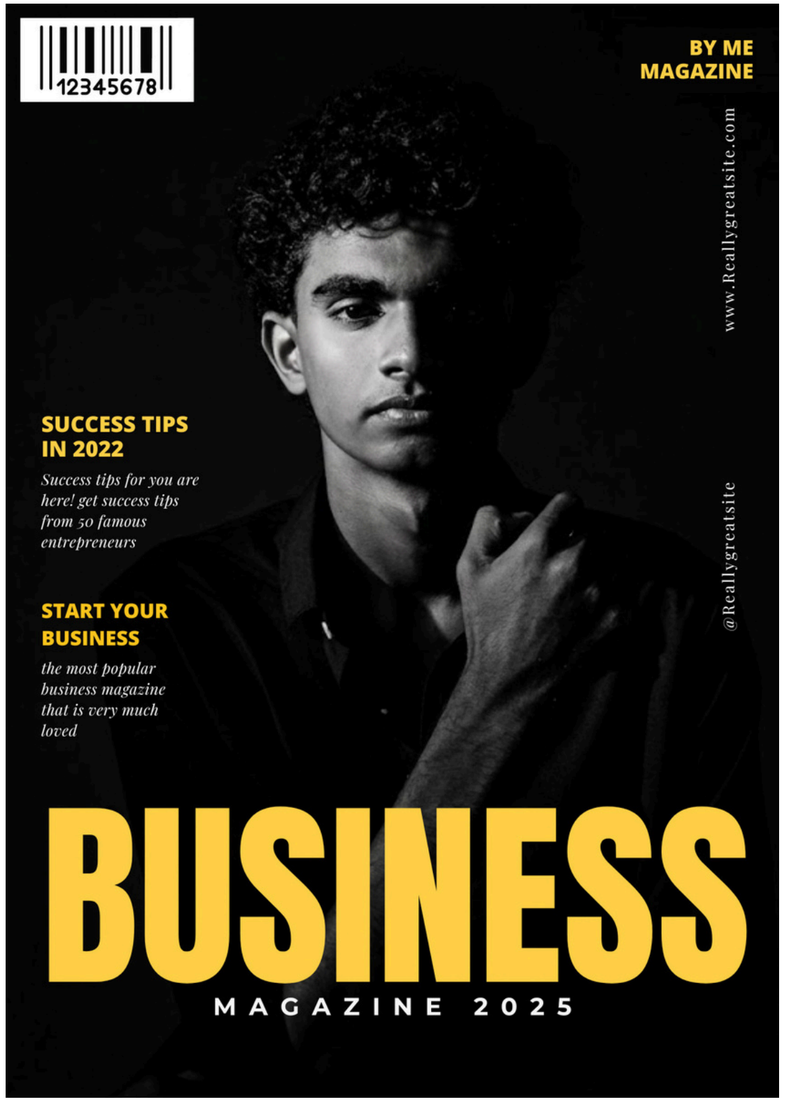
BUSINESS MAGAZINE

SPLIT LIGHTING

BRIEF:
Face is divided equally into light and shadow.

SETUP:
Single light placed at 90° to the subject, perpendicular to the face. No fill light.

PURPOSE:
Creates a dramatic, intense look and strong facial definition.



EXPLORATIONS

LIFESTYLE MAGAZINE

NATURAL DIFFUSED LIGHT (SOFT TOP LIGHT)

BRIEF:
Subject is evenly lit with soft, minimal shadows.

SETUP:
Natural daylight coming from above (open sky), likely diffused by clouds or indirect reflection. No artificial light used.

PURPOSE:
Creates a calm, fresh, lifestyle mood while maintaining natural skin tones.

EXPLORATIONS

TEEN MAGAZINE

LOOP LIGHTING

BRIEF:
Face is softly lit with a slight nose shadow falling onto the cheek.

SETUP:
Single light placed slightly above eye level at a 30–45° angle to the subject.

PURPOSE:
Adds depth and shape while maintaining a natural yet bold look.

CONCEPT AND EXPLORATIONS

MARKET MADE MUSE

This editorial highlights Indian maximalism through rich textures, layered prints, and the vibrant chaos of the bazaar.

THE WOMAN EVERYONE WANTS, YET NO ONE KNOWS

INSPIRATION

The Woman Everyone Wants, Yet No One Knows inspired from the famous scene from the movie named *Malena* performed by Monica Bellucci, explores the paradox of desire and anonymity. Surrounded by attention, the woman becomes an object of fascination rather than understanding. Concealed in shadows, she controls what is revealed, turning admiration into distance.

THANKYOU
