## PROFESSIONAL SUMMARY

3D Visualiser and Experience Designer with hands-on internship experience creating photorealistic 3D stages, event sets, exhibition stalls and spatial layouts for weddings, corporate events, brand activations and award ceremonies. Skilled in Blender, Autodesk Fusion, SketchUp and Coohom, turning creative briefs into execution-ready visualisations that account for scale, sightlines and production constraints. B.Des (Fashion Communication) student at NIFT Kannur (CGPA 8.6/10) with a strong foundation in visual merchandising, brand presentation, UI/UX and editorial design. Seeking a 3D Visualiser, Visual Merchandiser, Experience Design or Spatial Design role.

## CORE SKILLS

**3D Visualisation & Spatial Design:** Blender, Autodesk Fusion, SketchUp, Coohom, 3D Modelling, Photorealistic Rendering, Lighting & Materials, 3D Animation, Spatial Planning, Stage Design, Set Design, Exhibition Design, AR/VR Visualisation

**Experience Design & Visual Merchandising:** Experience Design, Event Design, Brand Activation, Visual Merchandising, Brand Presentation, Production Design, Store Layout

**UI/UX & Prototyping:** Figma, Wireframing, High-Fidelity Prototyping, User Research, Usability Testing, User Journey Mapping, Information Architecture, WCAG Accessibility, Design Systems

**Graphic & Editorial Design:** Adobe Photoshop, Illustrator, InDesign, Lightroom, Canva, Brand Identity, Typography, Layout Design, Art Direction

**Video & Web:** Adobe Premiere Pro, CapCut, HTML, CSS, Responsive Web Design

## PROFESSIONAL EXPERIENCE

### 3D Visual Designer Intern

Rainmakers Signature Experiences Pvt. Ltd. | Kochi, Kerala | Jun 2026 – Jul 2026

- Designed 3D stage, set and event visualisations for weddings, corporate events, brand activations and award ceremonies.
- Created 3D concepts, spatial layouts, models, materials, lighting and photorealistic renders using Blender and Autodesk Fusion.
- Translated creative briefs into detailed, presentation-ready concepts tailored to event-specific requirements.
- Collaborated with design and production teams to deliver practical 3D solutions, accounting for scale, dimensions, spatial constraints and execution needs.

### Graphic Design Intern

Inamigos Foundation | Kochi, Kerala | Jun 2025 – Jul 2025

- Conceptualised and produced 15+ digital marketing assets (social posts, stories, event banners) for CSR campaigns, applying brand guidelines, colour theory and visual identity principles.
- Created print-ready and screen-optimised visuals in Adobe Photoshop and Illustrator with strong layout and typography.
- Partnered with the outreach team to build cohesive visual narratives aligned with campaign messaging, delivering polished work under tight deadlines.

## PROJECTS

### Radio Mango × Spadikam Onam – Bharath Benz Truck 3D Event & Set Design | Blender

- Designed a 3D event installation transforming a Bharath Benz truck into an Onam-themed promotional stage.
- Engineered the structure and visual layout around truck-to-roof height, stage dimensions and spatial constraints.
- Produced 3D visualisations to communicate the final event setup and overall audience experience.

### EMAK Silent Hero Awards – 3D Stage Design, Hyatt Regency, Thrissur | Blender

- Designed a 3D stage concept for a 60 × 30 ft stage within a 100 × 80 ft hall, optimising scale, sightlines and audience experience.
- Delivered detailed 3D visualisations and renders to present the proposed stage design.

### Neithi – 3D Exhibition Stall Design | Blender

- Designed an exhibition stall concept focused on spatial planning, brand presentation and visitor experience.
- Developed structure, visual elements, materials, lighting and spatial composition; created 3D visualisations and an animation to showcase the stall experience.

**UI/UX Redesign – Apple Health App | Figma | 2026**

- Led an end-to-end redesign: user research, pain-point analysis and user-centred design to improve navigation, accessibility and overall experience.
- Built wireframes and high-fidelity interactive prototypes across multiple iterations with WCAG-compliant colour contrast and typography.
- Documented user journey mapping, information architecture and concept development as a structured UX case study.

**CRD Documentation – Chendamangalam Weavers | Adobe InDesign | 2025**

- Researched and documented traditional weaving practices, producing an editorial publication covering layout, typography, photography and brand storytelling.
- Developing a digital platform (HTML/CSS) to increase the community's visibility and create an accessible cultural resource.

## EDUCATION

**Bachelor of Design (B.Des), Fashion Communication**

National Institute of Fashion Technology (NIFT), Kannur | 2023 – 2027 (4th year) | CGPA: 8.6 / 10 | Minor: Masters of Design

**Coursework:** Visual Communication, Brand Identity, Typography, UI/UX Design, Photography, Layout Design, Media Production, Set Design, Design Research, Digital Storytelling, Colour Theory

**Senior Secondary (Class XII), CBSE – PCMB (Physics, Chemistry, Mathematics, Biology)**

Score: 91%

**Secondary (Class X), CBSE**

Score: 95%

## ACHIEVEMENTS & ACTIVITIES

- **NIFT Prospectus 2026:** Contributed to page layouts, visual composition and publication design; photographed and edited images used throughout, maintaining visual consistency.
- **NIFT Graduation Show Booklet:** Designed and developed the publication, covering layout, typography, visual hierarchy and structure.
- **NIFT Graduation Show Brand Manual:** Developed the brand manual for the Graduation Show logo, defining usage specifications and supporting visual elements.
- **EOSS (Essentials of Success) Workshop, NIFT:** 3-day programme on communication, teamwork and professional skills.
- **AI for Youth Virtual Symposium (Intel-powered):** Participated in a national symposium on AI tools and emerging technologies.
- **Calligraphy & Hand-Lettering Workshop, Narayana Bhattathiri:** Strengthened typographic precision and traditional lettering skills.
- **Scouts & Guides, 2018–2021:** Built leadership, teamwork and community service skills.
