PROFESSIONAL SUMMARY

Creative 3D Visualiser and Experience Designer pursuing a B.Des in Fashion Communication at NIFT Kannur (CGPA 8.6/10, 4th year). Experienced in designing immersive 3D stages, event sets, exhibition stalls and spatial layouts for weddings, corporate events, brand activations and award ceremonies. Skilled in Blender, Autodesk Fusion, SketchUp and Coohom to turn creative briefs into photorealistic, execution-ready visualisations, backed by strong UI/UX, brand identity and editorial design capabilities. Seeking an Experience Design, Spatial Design, Visual Merchandising or AR/VR Visualisation role where technical precision and creative storytelling create memorable brand experiences.

PROFESSIONAL EXPERIENCE

3D Visual Designer Intern — Rainmakers Signature Experiences Pvt. Ltd. Kochi, Kerala | Jun 2026 – Jul 2026

- Designed and developed 3D stage, set and event visualisations for weddings, corporate events, brand activations and award ceremonies.
- Created 3D concepts, spatial layouts, models, materials, lighting and photorealistic renders using Blender and Autodesk Fusion.
- Translated creative briefs into detailed, presentation-ready concepts tailored to event-specific requirements.
- Collaborated with design and production teams to deliver practical 3D solutions, accounting for scale, dimensions, spatial constraints and execution needs.

Graphic Design Intern — Inamigos Foundation Kochi, Kerala | Jun 2025 – Jul 2025

- Conceptualised and produced 15+ digital marketing assets (social posts, stories, event banners) for CSR campaigns, applying brand guidelines, colour theory and visual identity principles.
- Created print-ready and screen-optimised visuals in Adobe Photoshop and Illustrator, with strong layout and typography.
- Partnered with the outreach team to build cohesive visual narratives aligned with campaign messaging, delivering polished work under tight deadlines.

PROJECTS

Radio Mango × Spadikam Onam — Bharath Benz Truck 3D Event & Set Design | Blender

- Designed a 3D event installation transforming a Bharath Benz truck into an Onam-themed promotional stage.
- Engineered the structure and visual layout around truck-to-roof height, stage dimensions and spatial constraints.
- Produced 3D visualisations to communicate the final event setup and overall audience experience.

EMAK Silent Hero Awards — Hyatt Regency, Thrissur 3D Stage Design | Blender

- Designed a 3D stage concept for a 60 × 30 ft stage within a 100 × 80 ft hall, optimising scale, sightlines and audience experience.
- Delivered detailed 3D visualisations and renders to present the proposed stage design.

Neithi — 3D Exhibition Stall Design 3D Spatial Design | Blender

- Designed an exhibition stall concept focused on spatial planning, brand presentation and visitor experience.
- Developed structure, visual elements, materials, lighting and spatial composition; created 3D visualisations and an animation to showcase the stall experience.

UI/UX Redesign — Apple Health App Figma | 2026

- Led an end-to-end redesign: user research, pain-point analysis and user-centred design to improve navigation, accessibility and overall experience.
- Built wireframes and high-fidelity interactive prototypes across multiple iterations with WCAG-compliant colour contrast and typography.
- Documented user journey mapping, information architecture and concept development as a structured UX case study.

CRD Documentation — Chendamangalam Weavers Adobe InDesign | 2025

- Researched and documented traditional weaving practices, producing an editorial publication covering layout, typography, photography and brand storytelling.
- Developing a digital platform (HTML/CSS) to increase the community's visibility and create an accessible cultural resource.

EDUCATION

Bachelor of Design (B.Des), Fashion Communication — NIFT Kannur 2023 – 2027 | CGPA: 8.6 / 10

Currently in 4th year | Minor: Masters of Design

Coursework: Visual Communication, Brand Identity, Typography, UI/UX Design, Photography, Layout Design, Media Production, Set Design, Design Research, Digital Storytelling, Colour Theory

TECHNICAL SKILLS

3D, Spatial & AR/VR: Blender, Autodesk Fusion, SketchUp, Coohom, AR/VR Visualisation, 3D Modelling, Photorealistic Rendering, Lighting & Materials, 3D Animation, Spatial Planning, Set & Stage Design, Exhibition Design

Experience & Visual Merchandising: Experience Design, Event & Brand Activation Design, Visual Merchandising, Brand Presentation, Production Design

UI/UX & Prototyping: Figma, Wireframing, High-Fidelity Prototyping, User Research, Usability Testing, User Journey Mapping, Information Architecture, WCAG Accessibility, Design Systems

Design & Visual: Adobe Photoshop, Illustrator, InDesign, Lightroom, Canva, Brand Identity, Typography, Layout & Editorial Design, Art Direction

Video & Web: Adobe Premiere Pro, CapCut, HTML, CSS, Responsive Web Design

Soft Skills: Creative Problem-Solving, Attention to Detail, Cross-functional Collaboration, Deadline Management

Languages: English (Fluent), Malayalam (Native), Hindi (Intermediate)

ACHIEVEMENTS & ACTIVITIES

- NIFT Prospectus 2026 — Contributed to page layouts, visual composition and publication design; photographed and edited images used throughout, maintaining visual consistency.
- NIFT Graduation Show Booklet — Designed and developed the publication, covering layout, typography, visual hierarchy and structure.
- NIFT Graduation Show Brand Manual — Developed the brand manual for the Graduation Show logo, defining usage specifications and supporting visual elements.
- EOSS (Essentials of Success) Workshop, NIFT — 3-day programme on communication, teamwork and professional skills.
- AI for Youth Virtual Symposium (Intel-powered) — Participated in a national symposium on AI tools and emerging technologies.
- Calligraphy & Hand-Lettering Workshop, Narayana Bhattathiri — Strengthened typographic precision and traditional lettering skills.
- Scouts & Guides, 2018–2021 — Built leadership, teamwork and community service skills.
